

CanSkate Coaches Needed For 2022-2023 Season

Caledon Centennial Skating Club (CCSC) is a small, fun, volunteer-run recreational skating club that offers CanSkate and StarSkate programs to children and youth from Caledon and surrounding areas between the months of October and May. We skate out of Inglewood, Ontario on Tuesday evenings and Caledon East on Thursday evenings. Although we only offer one CanSkate session (on Thursdays), we strive to make it the best quality CanSkate program in the region.

CCSC currently has a coaching opportunity available in our CanSkate program on Thursdays and Primary StarSkate on Tuesdays and Thursdays. As we are a small club, this is a great opportunity for new coaches in training to gain valuable coaching experience before moving on to larger clubs. Alternatively, it could be a great place for more experienced coaches to pick up additional hours during the week.

Roles and Responsibilities:

- Organize and provide instruction in group lesson format for CanSkate program
- Adhere to Skate Canada rules and guidelines for program delivery
- Evaluate skaters and complete report cards as needed
- Select monthly award recipients
- Track personal hours worked and invoice club as needed
- Lead and manage volunteer Program Assistants on the ice
- Communicate with parents, other coaches, and the Board of Directors, as required

Successful applicants must:

- Be a registered Professional Coach in good standing with Skate Canada
- Minimum CanSkate In-Training NCCP status to teach CanSkate programs
- Be willing to work with other coaches, parents, volunteers and executive
- Have excellent communication skills
- Be reliable, organized, and able to meet deadlines
- Previous coaching experience an asset
- Be willing to submit a current vulnerable sector police record check, and a current first aid certificate (CCSC will reimburse for these expenses)

Interested candidates are encouraged to contact us at: info@caledonskatingclub.com
